My gg grandfather;

name; but his father was
born in Maryland. He had
his own ship which is
supposed to have sunk off
the coast of Florida. Thomas

My gg grandpa

This is my family. The error here is the last three are Franklins. Cicero Franklin died in the civil war.

Thomas might have continued passing as a Howard. Their mother married five times. They lived around Baker Co. Ga. Pensicola and Mobile before moving to Vernon Parish about 1873. I don't know what happened to Leonidas (Leon or Odas) and Thomas.

Indians scalped Andrew's

sister Mary and her unborn³ baby.

Andrew J. Howard had his own ship and fished for oysters in season and sponge otherwise his ship was wrecked in a storm. His partner was hit by the falling mast. Andrew swam about 5 miles to shore, but he never heard of his partner. This event probably made the paper, but I don't know when. Some of the family said it was near Mobile.

His youngest daughter tried to claim Indian land once in Fla.

I'm looking for Eliza Ann Walker's father's name in Ala. She married Edmon Merritt Jr. There were two Edmon Merritts in

Ala. & Miss. The father was
in Miss. territory in 1816 then
Edmon Jr. was born in
Ala. in 1818. He grew up
and married Eliza Ann Walker.

Dear Jean,

MAY 5, 1997

Enclosed is the information that I promised you. I am sorry it took so long to get it to you. But things have been spinning around here. I was planning a trip to Mississippi for the last week in April and I was in the process of printing this information, when a phone call came and we were notified of a tragic and violent death of a close family member of my husbands. I immediately shut down the computer and we packed and left. We were gone for a week and returned about 1 a.m. one morning. At 3 am that same morning, I received a phone call about my step fathers brother having a massive heart attack. He is still in intensive care, not expecting to make it. So again we live on pins and needles. I have finally gotten things settled down enough to get on with my genealogy. I have most of the information. There are some dates or places missing. I don't know much about any of John Thomas "Tom" Stricklands children & their decedents, except Walter Lesley Strickland, who was my Grandpa.. All of Toms kids were born in Jones Cnty, MS. Maybe you can get info on the rest of his kids. What information that I did get on Toms other children came from my Uncle Lewis in Ellisville, MS. I don't know exactly how accurate this information is and not very complete either. If I do acquire anything more in the future, I will let you know. I hope this information is of some use to you and your book.

Yours,

Sandy Deckard

PRESTON B. STINSON

Preston B. Stinson was the son of Sarah Brooker and Michael Stinson. He was born in South Carolina in 1810.

Michael Stinson first appears in Washington County, Mississippi Territory in 1816. By 1818 he had received a land grant in Washington County, M.T. which he sold to Lewis Rusk. In 1820, he and his family are in Wayne County, MS. The 1820 state census shows the following:

Michael Stinson - 5 males and 6 females. 1 taxable person

It is difficult to ascertain the names of the children of Michael and Sarah Stinson, but based on what records are available the following is a tentative list.

1. Preston - married Martha Strickland
2. William - married Mary E. Loyd
3. Henry - married a Myrick girl
4. son
5. Milla married Jeremiah Myrick
6. Mary married a Cody
7. Sarah married Silas Scarbrough
8. daughter married John Lorenzo Dow Johnston
9. daughter

Michael Stinson disappears from the Census and Tax Rolls of Mississippi and Alabama by the year 1821. A great grandson, Joe Stinson of Yellow Pine, Alabama has told us that Preston came to Mississippi from Missouri. It is possible that Michael Stinson and Solomon Strickland left Mississippi in the 1820's and went to Missouri. There is some evidence to lead one to believe that the families of these two men returned to Mississippi around 1827, but the two men do not again show up on census or tax rolls.

Preston Stinson married Martha Strickland ca 1842 or 1843. Martha Strickland is believed to be the daughter of Solomon Strickland and his wife. He is one of three brothers - Solomon, Simeon and John Strickland - who came to Mississippi in 1810 and 1811. The children of Simeon and John Strickland have been documented and Martha is not one of them. Therefore, it is reasonable to assume that she is the daughter of Solomon. Solomon Strickland probably had two wives, Julia Windham and Sarah Roberts, although this can not be proven. Only the marriage to Julia Windham is of record.

By 1830, Sarah Stinson was a widow. The 1830 census of Perry County, MS shows:

Sarah Stinson: Males: none
Females: 1(10-20) and 1(40-60)

In the Commissioners Court Minutes of Clarke County, Alabama (earliest book, page 216, we find -

May 5, 1828

Item 13 - Ordered that the said William S. Parris, Overseer of the poor take William Stinson, a poor orphan and ~~th~~he be bound to the

said Parris according to the law.

Item 14 - Ordered that said Parris take Henry Stinson a poor orphan and bind out him to Henry Myrick according to law.

Item 15 - Ordered that said William S. Parris, overseer of the poor take and bind out, if possible, to suitable persons, Milla Stinson, Allen McNorton, Flora McNorton, poor orphan children of the said county.

The Marriage Records of Clarke County, AL show the following:

Silas Scarborough to Sarah Stinson, April 26, 1832

According to Barbara Waddell of Chatom, Alabama, Sarah Scarborough was the daughter of Michael Stinson and the sister of Preston Stinson. Mrs. Waddell is the great, great granddaughter of Silas and Sarah Stinson Scarborough.

In the Orphans Court Minutes and Probate Court Records of Clarke County, Alabama we find this record:

January 10, 1837 - Ordered by the court that Preston B. Stinson be appointed administrator of the estate of Lorenzo Johnston and that he give security and bond in the amount of two thousand dollars. Ordered that Preston B. Stinson administrator of the estate of Lorenzo Johnston, deceased, be authorized to sell the personal estate of said deceased according to law.

March 3, 1837 - Ordered by the Court that the inventory and appraisement of the estate of Lorenzo Johnson so rendered by Preston B. Stinson administrator of the said estate be received, recorded and filed.

March 23, 1837 - Inventory recorded as signed by Preston B. Stinson and at this time Johnston is listed as John L. D. Johnston.

In the loose papers pertaining to the estate of John Lorenzo Dow Johnston is found the following:

And or security signed by Preston Stinson, Merett W. Price (X) and Uriah (X his mark) Myrick, January 10, 1837.

John Lorenzo Dow Johnston was killed by a slave named Ned. There is much about this in the Commissioner's Court Minutes, but very little about Johnston himself or Stinson. However, the above would tell us a few things that we can safely assume.

1. Children could be declared orphans, even though one parent was still living. In this case, it would have been impossible for Sarah Stinson, a widow, to provide for this many minor children.
2. There was probably some relationship between John Lorenzo Dow Johnston and Preston Stinson. It is likely that John L. D. Johnston was the brother in law of Preston Stinson.
3. Preston Stinson could read and write which was an accomplishment for that time when the majority of the men could not.

The only other Stinson mentioned in the records of Clarke County, Alabama are Burwell Stinson, B. Stinson and one item which shows _____ Stinson. Burwell Stinson is not the father of Preston B. Stinson. His family is well documented in Biographical and Historical Memoirs of Mississippi by Goodspeed.

Preston B. Stinson is not found in the 1840 Census of Mississippi or Alabama. However, he is found on the tax roll of Greene County, MS in 1840:

Preston B. Stinson - 1 poll; Tax .50

Preston B. Stinson appears on the Jasper County, MS Tax Roll in 1843. This was the time period when the Indian Lands were opened in Jasper County and many settlers from Wayne and Greene Counties, MS went there. Many returned to their former homes beginning in 1845.

Preston B. Stinson - 1 poll; Tax .50

The 1845 Wayne County, Mississippi State Census shows the following entry for Preston B. Stinson

Preston B. Stinson - 2 males and 3 females
(After examining the 1850 census, the above would appear to be Preston Stinson, his wife Martha Strickland, son Hardy Stinson, daughter Mary Stinson and Eliza Ann, whose parents are unknown.)

Thus it would appear that sometime between the 1845 State Census of Wayne County, MS and the 1850 Federal Census, Henry Strickland came to live with Preston and Martha Strickland Stinson.

Henry (Strickland)	8		MS
Mary Stinson	6		MS

Eliza Ann is possibly the sister or half-sister of Henry Strickland. Their parents are unknown, but they are said to be the cousins of the Stinson children and therefore the neice and nephew of Preston and Martha.

Solomon Strickland	30	Farmer	MS
Lucretia (Lucas)	28		MS

Hardy Stinson	8		MS (son of Preston & Martha Stinson)

Although the 1850 census shows Preston Stinson and family as living in Jones County and his son Hardy living with another family in Perry County, MS, the two families actually lived next to each other, near the county line. Visiting Lucretia Strickland's grave in the Summer of 1979, proved this fact. Solomon Strickland and Martha Strickland Stinson were cousins. Solomon and Lucretia Strickland were never blessed with children. She states in the 1900 census that she never had any children. Family tradition is that various children from the family stayed with them over the years, and the census bears this out.

1853 State Census of Perry County, MS

Preston B. Stinson - 9 in family (no sex or ages given)

(This would appear to be Preston Stinson, Martha Strickland Stinson, Eliza Ann _____, Henry Strickland, daughters Mary and Sarah Stinson, and sons Preston, Jr., Hardy and Solomon Stinson.)

Preston Stinson is not found in the 1870 Census Records. It is believed that he was in Greene County, MS, but not proven. Lydia Stinson Freeman had some research done by the University of Mississippi and it revealed a son Ben and a daughter Jane born between 1860 and 1870.

It is believed that Preston B. Stinson died between 1880 and 1883 since he does not appear on the tax roll for 1883. However, he could have lived longer since he was over the age of 50 and did not own any land to pay taxes on and would not have been liable for poll tax. The graves of Preston and Martha Stinson have not been located yet. Many people have searched Wayne, Greene, Perry counties Mississippi and Washington County Alabama and have found no marked graves for them.

Sarah Stinson, mother of Preston B. Stinson is living with Preston and Martha in 1860. In 1850 she is living with her daughter Mary Cody in Barbour County, Alabama. Apparently Sarah died between 1860 and 1870 as she is not found in the Census. No grave has been located for her. It is possible that Sarah Stinson, Preston Stinson and Martha Strickland Stinson are all buried in unmarked graves.

Brothers and Sisters of Preston Stinson

This can be only conjecture as no absolute, documentary proof exists. Circumstantial evidence strongly points to the following.

8. A daughter about whom nothing is known

Preston B. Stinson served in Company G, 27th Mississippi Infantry during the Civil War. His service was very short due to his age and physical condition. He was discharged at Fort McRae at Pensacola, Florida.

Henry Strickland, who was raised by the Preston and Martha Stinson, served in Company G, 27th Regiment, Mississippi Infantry in the Civil War. Two of his duty stations were Pensacola, Florida and Harrodsburg, Kentucky, where he was taken prisoner. His service record reads that he was exchanged at Vicksburg, MS and furloughed on sick leave to Perry County, Mississippi where he was staying with Preston and Martha Stinson.

John Lorenzo Dow Stinson also served in the Confederacy in Company F, 24th Mississippi Infantry.

Children of Preston and Martha Strickland Stinson.

1. Eliza Ann, while not believed to be a child of the Stinsons, was raised by them and went by the name of Eliza Ann Stinson. Some say she was a Hutto and others believe that she was the sister or half sister of Henry Strickland. The search for her true identity continues. She married Rev. Robert Prine ca 1852 and they resided in Greene County, MS.

Children were:

Martha Ann b 1853 married A.B. Kittrell; 2nd Ruben Kittrell

John Lenard b 1856 married Ancibelle Holder

Mary Elizabeth born 1860 married Boss McDonald

Aletha Jane born 1862 married Wilbur Cochran

2. Henry Strickland b. 1842 in Mississippi. Raised by Preston and Martha Strickland Stinson and believed to be their nephew. Married in Polk County, Texas 14 March 1866 Catherine Adams. Their children were:
John Louin Strickland born 1867 married Mary Palmer
Henry Lewis Strickland born 1870 married 1) Kate Moore 2) Vivian Randolph and 3) Fannie Counts

Leala Belle Strickland born 1887 married Henry Richardson
3. Mary Stinson born 1844, Mississippi. She is said to have married John Bowen. A search of the census records has not revealed a listing for them. However it is believed that John Bowen is buried in the vicinity of Lucedale and is listed on the list of voters there in the 1890's. It is also believed that they had no children. the 1900 Census of Perry County, MS shows the following:
Beat 2, June 14, 1900
#211-214 Mary Bowen b Dec 1829 70 Widow married 30 yrs. 0 children
b MS Father and Mother b. MS
Nancy Prine adopted daughter 4-1875 b. MS father b SC mother b NC
Albert Cronier adopted son 3-1877 b MS father and mother b. LA
- There is some discrepancy in the ages here, but this was not uncommon in the census at any time. Nancy Prine above is probably the daughter of Mary Bowen's sister Elizabeth Stinson Prine.
4. Hardy Stinson born in 1842, Mississippi. died before 1860.
5. John Lorenzo Dow Stinson born in 1845 in Mississippi. After the Civil War he migrated to San Jacinto County, Texas near Henry Strickland with whom he was raised. He married Mary Melvina Pursley at Huntsville, Walker County, Texas on June 18, 1873. He died in 1883 in San Jacinto County, Texas. John Stinson appears on the 1874 Tax roll for San Jacinto County, Texas as owning no land, but paying taxes on 1 horse valued at \$30. and 2 cows valued at \$5. On the 1877 tax roll he still owns no land but pays poll tax. On the 1879 Tax roll the entry is the same - no land. In 1880 John Stinson has 1 horse and 10 cows, and the 1881 tax roll shows that he has 160 acres of land which was originally granted to J. King. The 1881 and 1882 tax roll entries were the same as 1880. By 1883 tax roll time John Lorenzo Dow Stinson was dead. Taxes were rendered on the same 160 acres by his widow, Mrs. M. M. Stinson. In 1901 his son D. P. Stinson rendered taxes on the same 160 acres. By this time the widow, Mary Melvina Pursley Stinson had married S. J. McCants.

Nannie Stinson married an Isaacs and lived in Cleveland, Texas. Lydia Stinson married James Martin and also lived in Cleveland, TX. Nannie was actually named Nancy Jane and Lydia was Lydia Ann. ANCESTORS OF
MARTHA ANN PRINE

WIFE OF ABSALOM B. KITTRELL
WIFE OF REUBEN KITTRELL

Martha Ann Prine was born in Greene County, MS December 1, 1854, the daughter of Rev. Robert W. Prine and Eliza Ann Strickland. The oldest of many children.

The 1870 and 1880 census of Greene County, MS gives us a good picture of the family.

Eliza Ann	b 1838	Mississippi	wife
Martha Ann	b 1854	daughter

Robert W.	b 1879	son	

Other children were born to this couple, but they did not live to maturity.

Rev. Robert W. Prine was a Baptist Minister and a farmer. He fought in the Civil War.

The Prine family were early settlers of Wayne County, MS. coming there from Colleton District, S.C. The father John A. Prine was a soldier in War of 1812. The 1850 census of Wayne County, MS shows Robert W. Prine with his parents and some of his brothers and sisters. The older children were married and gone from home in 1850.

Daniel Alexander Prine, a brother of Robert W. Prine was born in 1822. In 1850 he lived near by his parents in Wayne County with his wife Margaret Rebecca Strickland b 1826 and their children.

page 2

Eliza Ann Strickland wife of Rev. R. W. Prine and mother of Martha Ann Prine Kittrell was born in 1836 or 1838, depending on what record you read. Nothing is known of her parents. She had one brother, Henry Strickland born ca 1840. Henry Strickland's grandson, Ben Strickland, lives in Moss Point, MS at the present time.

Eliza Ann Strickland Prine and her brother Henry Strickland were raised by Preston and Martha Strickland Stinson in Jones and Perry County, MS. Family tradition says that Martha Strickland Stinson was their aunt. From the census records it appears that sometime between 1845 and 1850 Eliza Ann and Henry Strickland were orphaned and came to live with the Stinsons. They were called by the surname Stinson sometimes because they lived with the Stinson family. However, the 1860 census definitely shows that Henry's surname was Strickland. At the age of 21 Henry Strickland enlisted in the CSA and his service record shows he enlisted at Ellisville, MS in 1861.

Eliza Ann Strickland married in 1852 Rev. R. W. Prine. They lived primarily in Greene County, MS. He preached in the area and over into Alabama in the Semmes-Wilmer area. Eliza Ann Strickland Prine died August 15, 1889 and is buried in the McLain-Wade Cemetery on the old Holder place, Section 17, Township 4N, Range 7W in Greene County. Her grave marker reads

Eliza Ann, wife of Rev.
R. W. Prine
died 8-15-1889
age about 53 years.

After the death of Eliza Ann, R. W. Prine married Nancy Jane Cochran of Perry County, MS and they had more children. R. W. Prine and his second wife are buried along with one of their children, in Grafton Cemetery at Sandhill, MS.

Eliza Ann Strickland Prine's brother Henry Strickland migrated to Texas in 1865. He helped Rev. Lewin Adams take a wagon train from Jones County, MS to Walker County, Texas. There he married Arena Catherine Adams, daughter of Rev. Lewin Adams. The Adams were early Greene County, MS settlers living around Vernal in 1850. Henry Strickland died of pneumonia in December 1901 and is buried in Black Jack Cemetery in Walker County, TX

page 3

By process of elimination, we have come to believe that Martha Strickland Stinson who raised Eliza Ann Strickland Prine and Henry Strickland was the daughter of Solomon Strickland who came to Wayne County, MS from Georgia in 1811. His wife is believed to be Julia Windham. It is known that he had at least 5 children - 2 daughters and 3 sons. The daughters are known- Martha Strickland Stinson, wife of Preston B. Stinson and Frances Strickland Hutto, wife of Lewis Hutto. The sons are unknown. Eliza Ann and Henry Strickland were the children of one of Martha Strickland Stinson's brothers.

This brief sketch comprises all that we know of Eliza Ann Strickland Prine and Henry Strickland. We have talked to Stricklands and Stinsons in the area and have found that they know nothing more of these 2 orphans raised by the Stinson family.

If any one reading these lines knows any more information concerning Eliza Ann Strickland Prine and her brother, we would very much like to hear from you. We would appreciate knowing any family tradition or clues that would help us truly identify these two people.

* These are in Districts, and a Number of said district will follow the numbering of said pages.

** These are not in the page numbering of the enumerator, but are the page numbers found on the right hand side of the microfilm, those added at the National Archives.

All names of persons will be followed by a code of the county, then the page number, then if in districts, either the district number, or the variant numbering was used.

TALLAHATCHIE County was the most difficult county to read and transcribe, so if you are positive a family was in Mississippi in 1860, and was not shown in this, then I would suggest you try this county. Also, one must remember the three counties, and I have shown them above, where there is no census for 1860.

* This in the body of the index signifies that there is a question about the name, and many of these are indexed in three, four or more various spellings.

Dear Mr. Strickland,

I certainly appreciate your letter of 10 February in which you were wondering if the James O. Langston, listed in the Bible records submitted by me to the Family Puzzlers, could possibly have been the husband of your Aunt Mary (Polly) Adams Langston. I am glad to furnish what I have on my James O(vertton) Langston, but I do not quite believe that he was married prior to entering Service in the troops of the "Confederate States of America, in what people around here usually speak of as the "Civil War".

James Overton Langston, was one of four brothers, all sons of John and Sophia Shannon Langston. Three of the brothers all became soldiers in the same Regiment of troops who fought under General Lee's Command in what was called "The Army of Northern Virginia". Their unit, service, etc., being as follows:
Volunteer

Company C, 35th Regiment, Georgia/Infantry, Army of Northern Virginia, CSA
All were mustered in from Campbell County, Georgia - the nickname of their Regiment was: "CAMPBELL RANGERS".

LANGSTON, Thomas M(eriwether). Entered Service as a Private on 17 Sep 1861.
Died in the Richmond, Virginia Hospital on 28 June 1862.

LANGSTON, James O(vertton). Entered Service as a Private on 23 April 1862.
Was appointed Corporal. And was "Killed at Spottsylvania, Virginia, on 12 May 1864.

LANGSTON, Robert E(arly). Entered Service as a Private on 23 April 1862.
He died of measles in the Richmond, Virginia Hospital on 13 July 1862.

The fourth brother saw quite a bit of actual service, all under two separate units of Army, known as Georgia Troops. Of the four brothers, SAMUEL SHANNON LANGSTON, was the only one to survive the war to draw a pension after the Government finally got around to authorizing pensions for Confederate Soldiers in early 1890's.

My Great Grandfather, WILLIAM DAILEY, also fought with the three Langston men, his brother's-in-laws, in the 35th Regiment, Georgia Volunteer Infantry, Army of Northern Virginia, CSA. The note on him was as follows:

DAILEY, William (NMI) Entered Service as a Private on 24 April 1862.
Was admitted to the General Hospital at Camp Winder, Virginia, with typhoid fever on 5 June 1862, died there on 23 July 1862.

I have researched the marriage records of Old (now defunct) Campbell County, Georgia diligently for marriages for James Overton and his brother Thomas Meriwether Langston, but have failed to locate a marriage for either. Though this is not to say that neither one was ever married. Only to say that neither in old Campbell County, nor any of the adjacent counties, have marriages been found for them.

In Fayette County, which adjoined old Campbell, and still adjoins Fulton County, Georgia, into which old Campbell merged on 1 January 1932, there was a slew of Adams. Some by this name was also scattered over old Campbell County. Since I was reared in Campbell County, and my closest relatives were

and
reared in Campbell, Fayette, Douglas, /Carroll Counties. Thus, if a marriage
had ever been recorded between ~~THOMAS~~ JAMES OVERTON LANGSTON and Sarah (Sally)
Adams, I should have long ago located it.

Nevertheless I will send along the full family, parents, brothers and sisters
of James O(vertton) Langston. Perhaps if there was a marriage which was overlooked
by me, the others in the family will be recognized by some of your family.

A little background and history on this Langston family of mine; Mr Asa Langs-
ton, my Gr Gr Grandfather, was living in Union County, S. C. in 1800, was lo-
cated in Laurens County, S. C. at least for two years, 1806-1808. In 1808,
my 3-G grandfather, with his entire family, moved into Georgia and settled in
Franklin County. John Langston (father of my James O.) was born in either
Union or Laurens County, S. C. on 14 September 1806. He was married in Frank-
lin County, Georgia, on 4 February 1829, and remained a resident of Franklin
County until at least 1846. By 1850, his entire family were all in old Camp-
bell County, where John (my 2-G grandfather) died on 27 April 1858 and his
wife, Sophia (Shannon) Langston, died on 12 March 1869. All children of John
and Sophia Shannon Langston were born in Franklin County, Georgia, with the
possibility of the two youngest born in 1847 and 1849, who could conceivably
have been born in Campbell County, though I always think that they too were
born before the family moved to Campbell County.

Perhaps you will wish to know if I have done any Langston research in Alabama;
the answer is no, that except for one or two brothers of my G G Grandfather,
John Langston, who may have gone to Alabama, or any other place westward in
the period 1830-1840, I have no Langston kin, known to have been in Alabama.

I am hoping this may be of some help to you, even if to let you know that a
possible lead has proven without fruit. To me sometimes, to learn this is
to settle my mind and allow me to turn elsewhere for what I need. To me this
is next to finding what I needed, at least I no longer must ponder the ques-
tion.

Good hunting, and let me know whether there were other possibilities in Geor-
gia, for help in locating your James O. Langston. If so, I will be glad to
do anything along this line that I can. NOW! Good hunting and may all your
troubles turn out to be that of filing records which are fruitful.

Yours, Genealogically,

Dear Jean

Sorry I'm late answering your letter
and thanks again for your help. Maybe
one of these days all of these pieces will
fit together. I sure hope so before I go
batty.

I would like to order the book on
(who married whom in Jones Co. Miss) if it's still
available.

I have written to Mrs. J K Searcy but haven't
heard from her. I also have an ad in the
Genealogical Helper, it should be in this
month's issue.

You mentioned John Walters settled in the
Southern Montgomery Co. on the Wilson Strickland
survey. The name Strickland rings a bell but
I knew only one couple name Glenn & Babbie
Strickland I don't remember them having any
children.

They ~~was~~ lived in Mont. Co. but I was born
even more south of them. I was born on the
bank of Spring Creek which is the border line
dividing Mont. Co. & Harris Co. But I do not
remember any other Walters except my gr. gr.
Richards' family. Since I was born 1915 I
remember all of his children except Marion
Frances which was the oldest son.
(Frank)

Feb 16, 1989

Jan I just heard from my aging Aunt
one of my cousins (Brother James) married
a Strickland I don't know his first name.
They live in the same area ^{near Conroe TX.} as this
Glenn Strickland which is about 10 miles
north of THE WOODLANDS where I was born.

I don't know their address but their
phone no is 1-713-292-4374. I will check
on this.

I have another question to ask you
on P. 129 of who M. whom in Wayne Co.
James A Mills my gr. on my mother's side
He had a sister name Eliza She was
married 4 times I don't know ^{who} she was
married to the first time but her second
husband was - Cain 3rd ^{Frank} Walters - 4th Crawford
She died about 60 yrs ago, she was a very
old lady then.

I hope you can read this, I am
writing in bits as it comes to me. I
was going to rewrite but you probably
wouldn't get it for a month.

Please Keep in touch

Sincerely
Velma Duncan

PS I reopened this letter

had on Harris + Menif Co.

Dear Mrs Strickland,

Just can't thank you enough for the information you sent me on the Strickland and Terry families. It all is very interesting and from all accounts is just what I have been looking for.

Mr Robert Strickland left Mississippi because of a fight he was involved in and he thought maybe he might have killed a man. No one in the family seems to remember a lot about any of this or at least no one will tell me when I ask. ("I am an in-law) This is all my husband's side of the family. When he came to Texas he settled on a farm in Johnson County, in North Central Texas about 20 miles south of Ft Worth. This is where his family joined him at around 1890 and the mother-in-law, Mrs. Martha Caroline Elliott Terry Ritchie and her family came too. They all lived in this same vicinity all their lives. Robert Strickland married Susie Elizabeth Terry and they had two children while still in Mississippi--they were Lula May, b. June 23, 1887 in Miss and died Nov 2, 1962 in California. and Robert Clyde Strickland, b. Nov 20, 1888 and died in Johnson County Texas Jan 11, 1964. The rest of their children were born after they came to Texas.

Martha Caroline Elliott Terry married a man by the name of Abe Ritchie and we do not know if he was from Mississippi or not, but he did not come to Texas with the rest of the family or did the younger child named Bevie (on my records he is listed as Belve) .

I have included some information from some of my other research on other families I am researching. Don't know if this is what you want or not but hope it helps.

If there is any information on The John Edward Weeks that I listed, would really like any thing you might tell me. He settled in Crockett, Houston County, Texas and died there. His children were scattered all over the U.S. He married Julia Harrison after his wife died and had three more children but they were born in Texas.

Thanks again for the information.

Sincerely,

*Laurene (Mrs. B.E.)

Dear Lily:

Before I could write and thank you for all the information you sent, another letter arrived today full of goodies. I will spend the night trying to fit George Strickland in.

I wanted to tell you that we are only 64 miles from Mobile, and 23 from Pensacola, Fla. Pensacola doesn't have much in the way of Genealogy. They have the old Catholic and Spanish records. Most of which are not translated. The Mobile library is wonderful. They have all the old Mobile papers on microfilm from 1821 on. Ben is systematically reading them, but it will take a long time. He will watch for something on your Andrew Howard - his shipwreck must have made the papers. Also I am checking marriages in Alabama by county trying to find some of mine and some for the girls I left behind in West Texas will check your Merritt and Walker - maybe I can find something. Sure hope so.

Ben's Tom Howard lived near Cross Roads, MS. It was in Greene County then but is in Forest County now. He would have married an Adams girl, probably from Wilcox County, Alabama. She would have been the sister of Ben's great grandfather Lewin Adams. Lewin Adams married Margaret Renegar in Mobile, AL in 1842. One of his sisters, Elizabeth Adams married a Childers and they lived close by Tom Howard at Cross Roads. My sister-in-law got a few things out of an old trunk in a barn about 20 years ago in Walker County, TX. She didn't take enough, however, for the man who owned the barn got drunk and accidentally set it on fire and the trunk burned up.

Thanks for the offer of the DAR Records on Solomon Strickland. I think I already have most of them. One of my sister-in-laws is going to Washington, D.C. in March and when she is there is going to the DAR Library and get a will for me from a file on Jacob Strickland. It is a Taylor will and is supposed to prove that Jacob's wife was a Taylor (Priscilla Taylor) and not Priscilla Young as is often said. We will see and will send a copy when I get it.

You did send Noah's service record while we were still in Monahans, TX. If you are like me, you write so many letters to so many people that you can hardly remember what you have sent each one. I repeat myself so much anymore.

There was a Strickland genealogy compiled by Lewis Nardini published in the Many, La. newspaper sometime during the 70's. (The Sabine Index - I think) I couldn't get a copy from the newspaper, but wrote to the library and am hoping they will xerox for me. Will send a copy as soon as I get it.

Time to fix Ben some supper so have to go, but wanted to say Thanks and tell you were looking for the Howard incident in the Mobile Paper.

Sincerely,

Dear Sue:

It was a pleasure to receive your letter and know that you had gotten something from the Archives on John E. Nite. I just knew that I had found something for you that might shed some light on why Elisha Clapp stabbed your great grandfather, but the book seems to have disappeared. Maybe you can find it at Clayton Library in Houston as I know it is out of print - it is The History of Limestone County by Alonzo Steele (may have been Alfonso). I had zeroxed the whole little book at the library in Odessa, TX when we lived in west Texas. It may be here somewhere, but I have looked for two hours and can't find it. It contains a wealth of information on Anglins, Clapps and Parkers.

The Dickerson's who are Ben's family in Houston County are #423 William Dickerson - Great, great, great grandfather. Van Ransalur G. Dickerson - Great grandfather, Mary Elizabeth Dickerson Glasco - grandmother. Van Ransalur G. Dickerson administered his father's will at Crockett and we found that and it proves the marriage of Mary Elizabeth Dickerson to James Hudson Glasco as the marriage records were burned as you noted. I have much on Dickerson and allied lines in wills and divisions of estates in Houston County and I looked for a Julia and did not find one anywhere.

I had been corresponding with a Floreine Hale Palmer in Odessa, Tx who related a strange story on her Dickersons from that area. There were Dickerson's there as early as 1817, when her Milley Ann Dickerson's father Thomas Dickerson was there. He married Matilda Beaty and had two children Milley Ann and Joseph L and then Matilda Beaty left him and returned to Missouri and nothing is known about her.

In Trails West, VolIII, #2 is this small article showing that Isaac Parker to whom John E. Nite gave power of attorney, also served under Elisha Clapp's company in 1836. "To the memory of Isaac Parker, pioneer, soldier and lawmaker, born April 7, 1793 in Elbert County, Ga. Came to Texas in 1833. Served in Elisha Clapp's company in 1836. Member of Congress of the Republic of Texas 1839-1845; of the constitutional convention in 1845, state senator. Died April 14, 1883, in Parker County, TX."

I don't know what else you could get from the Archives, but you might get something from the Texas Ranger Hall of Fame, Fort Fisher, P. O. Box 1974, Waco, Texas 76703. They were very good to do some research for us. Just tell them the time period and whatever information you have on your great grandfather and tell them of the stabbing. If they have anything at all they will zerox it for you and send it to you. They did not charge for the information sent me.

Wish I could help more, but hope you find more about it and if you do please let us know what happened.

Sincerely,

Dear Lily:

I can't believe that I have had your letter so long and never answered it. I looked this morning and it is dated Feb. 4. You know, we never did hear from Mr. Ainsworth. There goes our chance at getting the real information on Carter-Strickland line. I wonder if he did not have any more proof than we do and just accepted it as a fact or if he is possibly sick and unable to correspond now.

Hope you have been well and doing lots of good on your lines. We have been busy getting our book out. Finally finished it in April and have sold some. It is the 1820-1830 Tax Rolls of Perry County, MS and the 1822-23 Birth and Death Schedule for Perry County, MS. The 1822-23 birth and death schedule also lists all persons 70 years of age and over. It sells for \$8.00 ppd if you know of anyone researching that area and wanting it. We are currently trying to copy all 46 cemeteries in Perry County and publish them.

Last Sunday we went over there and taped five cemeteries. Had a little misfortune though, both of us got so many chigger bites we have been miserable all week. Hope they go away soon and stop itching.

We are having such dry weather here. Yards and gardens are just ruined after such a beautiful spring, it is terrible.

I believe you told me once that you had found a Noah Strickland in Leon County, Florida. Ben did also, and it set me to wondering. There is a Mark Strickland there who possibly could have been the son of Mark named in the will of Henry Strickland in Nash County, N.C. He is of about the right age. Then there is William M. Ragsdale listed as head of household and Noah L. Strickland b NC living with him. I wonder if this is the Noah son Richard and Loretta Bryant Strickland (Richard being the son of Henry Strickland of Nash County, N.C.). Another point that really interested Ben was that the Stricklands in Shelby County, TX married the Ragsdales. Also note the names of the children. Do you think Louisiana Feaginny Jones is surnamed Jones or is her name Strickland? Epsy Bodina Reath? Robert Noah Franklin? I wish the census takers had been more meticulous.

There is quite a controversy going on here in Florida over a place near Point Washington called Eden. The state published a pamphlet on it and conducts tours through it as a historic landmark. They say it belonged to a family (I forget what it is but it starts with W) and now the descendants of Simeon Strickland have come forward and say that their father a Confederate Soldier built it and that the state is incorrect. They have uncovered a tombstone which shows that Mr. W was born in 1865 the year the Civil War ended. Ben is looking into it as he has always felt that the Simeon Strickland who married a Jernigan here in 1856 was somehow kin to the Simeon Strickland in Wayne County, MS. Point Washington is in Walton County which adjoins Santa Rosa County where we live.

Last Sunday while we were in Perry County, we talked to some Howards and the lady we talked to doesn't know much, but told us to come back and she would take us to see her brother-in-law who is working on the Howards and is as "crazy" about ancestors as we are. We are going back.

I would like very much to have a list of the people working on the Adams there. I have another brick wall there.

I still haven't found out anything about a fued in Georgia. Have looked and looked. The Stricklands Ben talked to here all are originally from Georgia or have Georgia Roots, but they do not know ~~why~~ their ancestors came to Florida. There are so many of them in this area that Ben has barely scratched the surface.

This is not much of a letter. Wish I had something earth shaking to send you, ~~xxx~~ but I don't. L. C. Strickland wrote Ben the other day. He is recovering from his surgery, but not up to par yet.

Let us hear from you when you have time.

Dear Jean;

Sorry I have been this long in writing to thank you for the information you sent me and also to let you know I wrote the State Archives and received the attached three copies.

Do hope you are feeling lots better than when you wrote in May. I have low-blood sugar and it has taken me a year to get to feeling OK again even staying on a strick diet.

I note you said your husband had a Dickerson line in Houston County. My grandfather, Calvin Jasper Nite (son of John Edward Nite) married around 1855/56 to his first wife Julia. We don't know her maiden name but their only son was named John Dickerson Nite. In the 1850 census of Houston County, Tex I found the following:

#696 (\$2000)	
Charles C. Hall	38 Male born Maryland
Marey A "	32 Female NY
Charles "	7 Male Maryland
Margaret "	4 Female Houston Co., Tx.
Walter DICKERSON	45 Male Va.
Julia Sherman	11 Female Houston Co., Tex
John M. Hall	9/12 Houston Co., Tex.

I keep thinking this Julia may havebeen Calvin Jasper's wife. I am sending you a page of 1850 Census with two Dickerson families. The court house in Houston County has burned about twice so there aren't any early marriages.

Elisha Clapp was the person who stabbed my great-grandfather to death. I would like to know what their quarrel or disagreement was about. I'm sure there would have ~~had~~ ^{been} hard feelings about something.

The Collins in Houston County aren't mine or at least I haven't tied them in with either of my lines. But they could have been kin back in Virginia with one or the other line.

Thanks again for beeing so nice.

Do you think I could write the Archives for other information on John Edward? If so, what elce could they have?

Sincerely;

Mr. Harry Walley

Mr. Walley:

My apologies for taking so long in answering your letters of June and September. We have had extensive illness on my husband's side of the family and can't seem to concentrate on anything else.

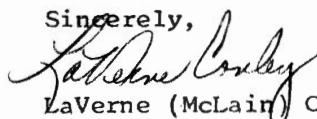

I am ~~xxx~~ afraid I will be of no help to you. I have always been interested in family trees, etc. and I stay in close contact with all members of our family, however, I haven't dwelt much with the past (several years back).

I have always lived in Florida. You mentioned a family in Vero Beach that you correspond with. I live approximately 13 miles from Vero Beach and have all my life. My father, Nathan McLain, comes from Richton, Mississippi. He is the 4th child of Jim and Mamie Kitchens McLain. Jim and Mamie are both dead. Jim was killed in a car accident approximately 7 years ago. He was 82 years old. Mamie died of pneumonia 5 years ago at Easter time at the age of 81. Yes, we are related to the Stricklands (Chester) that you mentioned in your letter. Also, you have talked with Thomas McLain near New Augusta. Thomas is my dad's youngest brother and he lived with us during his growing up years. As you know, he is now an invalid. Whenever you get to the present day McLains, meaning my grandfather and his brothers and sisters and on down to my family, I can give you all the names of these relatives and probably all of their children and the birth dates.

I do know Thomas Walley who lives in Richton. He is approximately 47 years old. About the family reunion that was held this past summer, from now on, there will be a Mamie McLain family reunion held the 3rd Saturday in June each year. If you are interested in time and place, drop me a line nearer this time and I will be more than happy to furnish you with the details. Of course, all of us attends and there was a big write up in the Richton paper.

Sorry I can not be of more help to you. Please feel free to write to me if you feel there is anything I can help you with.

Sincerely,

LaVerne (McLain) Conley

Moss Point, MS 39563

Dear Jean,

I have been trying to help a fellow in California on his MCLEOD family more specifically, JOHN ALEXANDER MCLEOD who was in Greene County early on. By using your books, the Archives and the census I have not located a John Alexander, but several 'Johns' and 'Alexanders'. My question is whould it be of value for me to drive down to Greene County and check the land record TRACT BOOK I or BOOK OF ORIGINAL ENTRY as it is some-times referred to? When I was at the Archives and mentioned Greene County my friends just groaned...

I have suggested that Ronald send a query to the Jackson paper, but thought you might have a suggestion or two.

On a Saturday not long ago I received a telephone call from Jean Day in Indiana, and enjoyed our phone visit so much. I am looking forward to meeting her when next she is in MS. She mentioned that the two of you along with another friend had had some enjoyable visits together. Who knows, maybe I can join you this winter.

Hope all goes well with you and Ben.

Dear Jean,

Thanks for the Strickland/
Cody information you sent.

The most popular family
belief is the same as yours —
that Harriet Elizabeth was born
a Strickland and adopted by
a Cody family.

We've still not been able to
find anything more about her or
unfortunately nothing more on her
husband, James Barnes.

According to her tombstone she
was born 1827 — died 1893.

She was James Barnes' second
wife according to the 1870 census 30
years younger [her age on 1870 + 1880
census does not agree with 1827
birth year].

They were married in 1850 —
dtr Nancy Jane b. 1849; dtr Emily
born Dec 1850.

Mary Adeline (the dtr of direct
descent for us) was supposedly born
in Calhoun Co. AL Nov 15 1856 but
they have no record of her birth.

I believe James + Harriet were
in Alabama in 1850 + probably in
Texas by 1860 but haven't found them
on either census.

Dear Mr. & Mrs. Strickland,

Thank you for answering so promptly. Until I received your letter I hadn't even set up file folders for the Strickland/Kodj line. At least now I have some places to start.

I have very little more information than I wrote to you about Harriet Elizabeth. I met a grandson of hers at a funeral (in another line) and most of the little I had came from him. I had made arrangements to go up and talk to him at a later date, but he died before we could do it.

The first time I found Jim Barnes and Harriet is in 1870 in San Augustine Co. Tex. He gives his age as 58 and place of birth as S. C. (She gives her age as 28 and place of birth as Ala. Her grandson said not so it was Ga.). Harriet gives her age as 28 and place of birth as Ala.

In 1880 Harriet is a widow living in Angelina County with her four younger children. (all of whom say they were born in Texas, their father in Ga. & mother in Ala). The two older daughters ^{living down} are married and living in Angelina County also. According to the family there was another daughter. She doesn't appear on the census with them in 1870 when she would have been 13 because she

was already married. The marriage license checks out. She had six children (the first before her 1st birthday) and died in 1873. Her next older sister Emily married her widower less than 1 month later.

It is the third sister, Mary Adeline, who was my husband's gr-grandmother.

Supposedly Jim Barnes was killed by Indians and is buried in Coleman cemetery in San Augustine County with no marker.

The information given to me was that Mary Adeline was born 11-15-1856 in Calhoun Co Texas, but the county has no record of her birth.

The 1870 census gives Emily's birth place as Ala. On the 1880 census it is given as Tex.

If it would not be too much trouble I would like to have a copy of the Cody line you wrote about. It will give me places to search if nothing else.

The query would be most helpful I'm sure. Is there any charge? I am at a loss as to how to word it so if you could from the information I sent I'd be most grateful.

Oh yes, Harriet + Jim Barnes must have gotten married @ 1848 as Nancy (the oldest girl was born June 15, 1849 according to her tombstone)

Dear Mr. Strickland,

I hope that you might be able to help me. In tracing my husband's family we've run into a real problem with Harriet Elizabeth Cody/Strickland.

Her family died with smallpox all except Harriet and ~~two~~ ^{one} brother. The house, bodies and all clothes, papers etc. were burned and the ~~three~~ children adopted each by different families and were discouraged by the new families from even keeping in touch with each other.

There is some argument in the family as to whether Strickland was her real name or her adopted name.

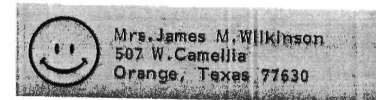

She was the 2nd wife of James Barnes date of marriage unknown but their first child, Nancy Jane, was born June 15, 1849.

According to her tombstone Harriet Elizabeth was born in 1827. According to the 1870 + 1880 census she was born in Ala and did not know where

Thank you for your prompt reply to my letter. I am working for Mrs. S. E. Babington here in Brookhaven and I don't know who was more excited, Margie or me. Anyway, I am sorry we have no answers to your questions, but you can rest assured that if I find anything I will send it on to you.

I was more than interested in how and where you found the documentation on the Creek Indians. I have two lines that is supposed to have Indian ancestry, and I have been searching for years trying to either prove or disprove the legend. So far I have nothing. Can you help me?

Also, do you have a copy of the marriage license of JOHN W. STRICKLAND and HARRIETT E. PALMER, if so, will you please send me a copy. I also need proof that Simeon Strickland was in MS (Wayne Co.) in 1810-1811. Did you find this on the Tax lists for Wayne Co? Also documentation that John W. was Simeon's son. I will be happy to reimburse you for costs of the copies and postage if SASE is not enough postage.

Dear Mr. Strickland,

Thank you for your letter of August 25th. The information about the Miles Strickland in Mobile, Ala. is a welcome addition to my limited information on this maternal great grandfather. My grandmother Nicie Ann Strickland Lewis died when I was about 13 years of age (Escambia County, Fla. in 1935). For many years, this grandmother lived in Bagdad near our home. Even so, in those days we did not talk much about old times nor old people. Our loss, now. ²Grandma Nicie was daughter of ¹Miles Strickland and Elizabeth Penton Strickland born about 1861 or '62. She married William Sherwood "Coot" Lewis in 1881, SROS Co. They lived in Milton-Bagdad-Robinson Point area of SROS Co. My Mother, ³Martha Elizabeth Lewis was one of four daughters and had three brothers. Martha was married to ⁴Charles Henry Highnote (Hinode) in 1908 SROS Co. ⁵I lived in Bagdad until I finished Milton High School, and then in Escambia County until WWII. I married a "Yankee" in 1942, and since that time, I have only visited my parents, and now my three sisters, once every year or two, usually for a week or 10 days. The Mrs. Hudson of Escambia County is one of my sisters, Hudson being her married name. She is the one who started our family research!

Please note the different address above. My husband is retired, and when summer comes, we head for the mountain for ^{we are} summer cool. Now back to the desert as the weather is down in the 30 already up in Idylwild. Pleasant, but moving around certainly leads to neglect of routine chores and especially paper work.

My sister, Ida Mae Hudson started "the search" in 1981, and I joined in late 1981, and I was totally hooked by 1982. My sister collects the verbal and cemetery records, with special emphasis on our maiden name HINOTE. She and Gladys Daws went on family hunts together, especially over in Washington Co. FL. ^{collecting} STRICKLAND DATA.

Getting documentation on the Strickland line to support the verbal runs in to confusion at times. When we first started, it did appear that the Henry County Ishmal (or Miles? difficult to read the name) Strickland Family was ours. There was a Dicy (female) in family in 1870, born about time our Nicie was born. And the wife's name was Elizabeth! And when we found our Nicie living with the Ed, Otis & Martha, that seemed to fit! Also, on 1880 SROS Co census, a neighbor was Jesse Lewis-Nancy Cobb with a son named "Coot" Lewis, who married our Nicie in 1881. Santa Rosa County data well documented! BUT, when I started trying to pick up the Henry County family to go backward, inconsistencies started popping up! To list below:

- (1) Ishmael St. (for Strickland) married Elizabeth Bullock in Henry County, Al. in 1849 (fits children's ages of 1860 & 1870 census)
- (2) Two older Bullock children were in Henry Co, M/E St. Household, probably Elizabeth's bro. or sisters, ^{the listed as FANNY LABOUR.}
- (3) Most of children in this family were boys, and verbal info. in our family indicate that Grandma Nicie only had sisters (one sister, older than Nicie, & possibility of one younger sister)
- (4) Documentation on the older sister--BUT, Census in Henry Co did not list this sister!
- (5) Verbal is that Nicie was born in Florida. (Two Aunts in Lewis family)
- (6) It appears that Dicy, & our Nicie were not the same person.
- (7) Nicie's mother's maiden name was Penton.

Page Two

These seven reasons ^{create} doubt that the Henry County family (Strickland) is our MST/EPSt. family. The doubts have grown stronger as I observed the skeptic glances of two Aunts of mine: *the Henry Co. Ala. ST family as ours.* Early in 1982 (or late 1981) ~~we~~ ^{we} did fill out a family group record of this family, adding Grandma Nicie's older sister Rhoda Anne Strickland's *Mar. 1879 SROS Co* (Mrs. John Savelle (or Savell) name to that data obtained on 1860 & 1870 Henry Co. AL census. BUT, we do not really have proof that the *(ommission)* error was made by the census taker! ^{or did you add name of Rhoda?} This presumption has created confusion, and is why I am so hesitate ^{new} to put unproven information down as our family data, until I find documentation.

To the more positive: The only document with the name of Miles Strickland in SROS Co FL are the two lumber agreements with Simpson & Company, both recorded April 12, 1871. (1) 3 March 1870 the agreement was to cut & deliver lumber (1633) from the land of J.R. Herrin & Miles St. (by Them) to Simpson & Co. This contract was canceled by mutual consent on June 2, 1870. (2) June 6th, 1871 agreement by Miles Strickland from his land in Twp 4N, Range 27 of SROS Co. to Simpson & Co. (etc) (There was a contract later made between Richard St. & Simpson & Co, I believe, but not for the same land. The Wash. Co St. ^{family} were also in the lumber business, and still are, I think/) Do you think there is any significance that both of the above contracts were recorded April 1871?

We have not found Miles, or Elizabeth Penton ST. in SROS Co on either the 1860 or 1870 census. Nor have we found a marriage record, nor birth record for Rhoda Anne St. or Nicie Ann St. *There was a M. Strickland on the tax roll in SROS Co in 1868, but I haven't found a land record yet. (SROS Co land records are very ???) *Prime Example re: my LEWIS (Jesse & Nancy) do not appear on old Plat Records!*

Oh, about Miles & Richard being brothers, that is verbal from Pearl Richbourg in Pensacola. Gladys Daws & Ida Mae Hudson visited with her, Pearl was a Strickland, descending from Richard via J.S. St. ^(Pearl was on several early SROS Co. census-1885 Or 1900, and also 1910) Pearl was 100 years old last year, and was "failing" in health and memory, but in 1981 & '82 she was very alert. Everything else she related verbally was later documented. But this relationship has yet to be proved or disproved.

Oh, on the 1880 census, when my Grandma Nicie was living in Otis household as niece--if niece was actually niece, that would have make Martha & Miles brother & sister? Which would possibly mean that Richard was Miles father, if he was Martha's father?? (Just a possibility?) I sent for Martha's death certificate, but the informant did not give any family info. *(Martha in Milton Cemetery)*

Re: death certificates, on my Grandmothers' D.C., the uncle (in-Law) who gave the data, listed Grandma Nicie's father as Sam ST. and her mother as Kellie Penton. This uncle is still living, so we don't make waves; but the only living daughter of Nicie states unequivocally that ^{Nicie's} father was Miles & mother Elizabeth Penton! *(I accurate info written down froul up again!)*

Earlier in this letter I mentioned my Grandma Nicie's sister Rhoda ^{ca. 1859}. This Aunt Rhoda Strickland Savell died in Calif in 1933, and is buried in Forest Lawn Cemetery, Glendale (or Los Angeles). (Getting this info. was a three year search!) Her descendants had researched the Savell (or Savelle) line! (The Savelles had a reunion in Bagdad in summer 1985) ~~But~~ I have gleaned ^{of Rhoda} some tidbits here and there. ~~Rhoda's~~ ^{Rhoda's} death certificate list father as Unknown Strickland, which means of course that the son who acted as informant didn't know the first name. (Aunt Rhoda had moved from Bagdad after, or during WWI, along with 2 sons & 2 or 3 daughters, ^{her descendants still in Cali} her descendants still in Cali)

One of Rhoda's ^{grand} daughters in Mass. insist that Rhoda's father was Richard! Also that there was a third little girl, younger than Nicie. She related hearing her Grandma Rhoda say that her mother died when she was a little girl and that she grew up in homes of various relative, until she married John Savell in 1879 in SROS Co FL. (John died ca. 1910 B. Bagdad) Her verbal info. on Elizabeth ^{PENTON} agrees with my family verbal, info. sketchy! *(mother of Grandma Nicie)*

Your information on the Mobile, AL M. Strickland sounds/if it might fit my puzzle. And the Canada - England origin sounds interesting too. To date I have only had time to get over to Archive for quick copy of 1850 Mobile census, and the 1880 Galveston, Texas census with Miles' Texas family. Suppose I can obtain copy of 1882 death? Smallpox, being communicable disease? You mentioned obituary?

I had previously looked at Alabama 1855 census. Rereading my notes, there was a Wm. Strickland listed in Mobile at that time, but of course no family data is included/on that State census. *Do you have any more info?*

On the third daughter(?) or sister to my Grandma Nicie: My mother used to visit a cousin (Neva Pace, I think?) who lived off the highway between Milton-Bagdad to Escambia Bay Bridge--over near a Strickland cemetery. And in marriage records of SROS Co., list marriage liscense for Wm. J. Pace and Meattie Strickland-January 12, 1889. Wonder if this Meattie Strickland was Grandma's Youngest sister?

As you can see, I have waded through tons of Strickland data. Please try to analyze and offer suggestions? More follows:

There was a Private Miles Stricklin in Civil War. (Co. F, 2 U.S. Col'd Infantry). He enlisted at Key West April 5, 1864. Remarks-Contraband 18 yrs. Born Jefferson Co. FL. (BLK eyes-BLK hair-Blk skin) Can you determine which side? ~~At this time~~, I have been trying to find out who owned this slave, and where the name came from. I know that it was common practice to name ^{slaves} after members of the owners family? The 1850 & 1860 slave schedule listed only one Strickland slave owner--Vincent J. St. in Jeff. Co. FL. 1860 referred to St. ^{W's} estate, and probate records produced an Inventory Appraisal with numerous slaves--and one named Miles! Odd thing, the Inventory list was printed in Recorded book twice, and no record of the usual sale at public outcry? (Mar. 2, 1860 date of appraisal)

The regular population census for 1850 & 1860 listed the V.J. (V.J. ~~St.~~) St. family, but no son named Miles *in Household. Hopefully, add'l probate records can be found.*

Do you have any info. on this family, or Jeff. Co Stricklands?

Proof to settle- or properly evaluate data always seems to be just out of my reach!

Mr. Strickland, I thouroughly enjoyed your book. It's nice to see how papers are presented. I never get tired of looking at old records.

I enjoyed the tale of the Mobile Book store & Uncle Tom's Cabin! I'm sending a copy of your letter to my sister in Pensacola, and ~~a~~ nephew of mine who has been interested in genealogy since about 1956.

The theory that James or Robert could be Rhoda & Nicie Strickland's father had occured to me--with possibility that Miles was a nickname? And I did observe that these two St. sons were back in Richard's household in 1870. Post Civil War ^{Records} down south ~~was~~ really a mess, I can well imagine! And the 1860 & 1870 census in Florida was very limited. I have many "lost" relatives in that time period, even when we know that they were there *in SROs Co.*

At this time I will not even attempt to give the background- with accuracy or without it-- on our Elizabeth Penton Strickland.

Thanks again for all the information in your letter of last month. Please let me know if you find any good answers or missing pieces to my Miles Stricklin puzzle.

(STRICKLAND)

Yours Truly,

RUSK PAPERS (Stephen F. Austin Univ. Library, Nacogdoches, Texas)

364- 1848 (These papers Rusk had tied together and seemed to relate to treaty)

HQ Army 19 July 1839

To Major Elisha CLAPP -

I have received your communication by the hands of Capt. Harrison and am directed by the Secretary of War to issue orders to you to raise as many Volunteers as possible in Montgomery and Houston Counties and march them forthwith to the Hq. of the Army. From all that I can learn my impression is that the Indians intend making as strong a stand as they possibly can on the Sabine. Our numbers are very considerably reduced and you will see the necessity of moving with as much rapidity as possible. One united and energetic push will terminate the Indian difficulties. The country will then prosper and we shall be at peace.

Thomas J. Rusk, Col. Commanding
Volunteer Regt.

I certify that the above is a true copy of the original forwarded to Major Clapp on 19 July 1839.

S. H. G., Blue Mountain, Miss.
"Have you anything in your records pertaining to the Gathings and Strickland families of Raleigh, N. C.?"
Answer—The name appears only once in the 1790 census of North Carolina, with Philip Gathings as head of a family in Tyrrell County, Edenton district, North Carolina. The will of Elisha Strickland, 1795, Wake County, mentions Isaac, Kinchion, Jacob, Priscilla, Charity, Polly and Sally. The North Carolina state and colonial records mention land grants to Jacob, Joseph, Matthew and Samuel Strickland; army rank of John, and Marmaduke Strickland; army pay to Frederick Strickland; John, in prison; Samuel Strickland, son exempted; Stephen Strickland, exempted; Lot Strickland was Revolutionary pensioner, and Marmaduke Strickland in prison.

Warrants to constable at Hempstead to summon Robert Williams and John Ellison to answer a complaint of John Smith, Mr. Strickland's son-in-law at Jamaica Court June 3, 1878.

Mr. James G. Morton, Paterson Museum, Paterson, N. J. in

Island, states this John Smith was "Blue" as listed in census for 1698 for Hempstead with wife Sarah (possible second wife.)

Joanna, dau. of John Strickland mar. Jonas Wood "Halifax;" Elizabeth Strickland mar. John Seaman; Edmund Strickland was an "Indian Purchaser" of Newton or Middleburg, L. I. 1656; see Riker's Annals of Newtown; Jonathan Strickland was proprietor of Newtown 1675, see N. Y. Doc. Hist.

No. 5241, Sept. 16, 1939, Hartford Times states Thomas Robert was of Middleburg, L. I. 1637, which I question. Rev. Francis Doughty was the first, 1642, to get a patent there at Mespat; was burned out by Indians the same year; it was not until 1652 that Middleburg or Newtown was settled again, see Riker's Annals.

No. 5241 states this Thomas Roberts mar. Sarah, dau. of John Strickland and had Elizabeth, mar. Samuel Furman; John; Thomas; Edmund; Jonathan. What authority, printed or mss. for this Roberts record? These children's names seem to be Strickland names.

Sgt. John Strickland had a ground brief of 300 acres included in John Seaman's Patent at Jerusalem as testified in L. I. Trial, North Hempstead against Hempstead, 1825. He was a witness in 1656 to the Indian Treaty with the Dutch, see Hempstead Rec. 1:45. to Hempstead Rec. 1:370. At a court held at Hempstead by the justice of the peace, constable and overseer, July 3, 1669, Mr. Strickland plaintiff vs. Henry Disbrow, defendant.

Samuel Messenger testified that in the winter when snow was upon the ground, being at Henry Disbrow's, Mr. Strickland's grandchild that lives with ad. Disbrow fell into the Mill Dam up to the middle and his Master and Dame neither offered to shift him but let him go in his wet clothes all day and lie in his wet shirt at night; and since being there the child being come from cow keeping and some way his basket being a little torn she kicked and beat him for it and said she never see such a bastard. This testimony taken upon

June 21, 1669.

Would like to know more about the career of Sgt. John Strickland; what is the authority for the death of Mr. Strickland as of 1672; what is family data for first three generations? There seems to be much confusion; Hempstead records give little; was he a wanderer? 1/9/42

C. A. Data On Stricklands 42
Mrs. C. C. H., Dallas, Texas—"Have you any record of Wright Strickland having moved to Tennessee from North Carolina?"

Answer—We have had many inquiries about this family that we are giving here the information available on the name, though we know of no connection with the architect, William Strickland of Philadelphia, who built the Capitol at Nashville. This question has been asked by a number of inquirers.

There was a large family in North Carolina, judging from those listed as heads of families in Cumberland, Richmond, Robeson, Sampson, Franklin, Halifax, Martin, Nash, Northampton, Wake, Johnston, Jones, Wayne, Bladen and Duplin Counties. In the year 1790. There were 79 heads of families named Strickland. We have not located the name Wright Strickland. The wills have given the best information. In Halifax County is a will of Moses Strickland, 1761, mentioning his wife (no name given). In 1797, in the same county, is the will of Herman Strickland, mentioning John, Elizabeth, James, Herman, Lucy and Ruth. In Nash County is the will of Joseph Strickland, mentioning Jesse, David, Patience, Mary, Elizabeth and Burwell, dated 1753. In the same county, 1790, is the will of Jacob Strickland, mentioning Hardy. In Northampton County, 1799, is the will of William Strickland, mentioning Mary (wife), Nathan, Benjamin, William, Joseph, Martha, Nancy. In Robeson County, 1799, is the will of Joseph Strickland, mentioning Levi and Annie. In Wake County, 1785, is the will of Lot Strickland, mentioning (Christians (mother), Matthew and Brazil (brothers). Revolutionary soldiers of North Carolina are listed in the names, Frederick, John, Lot (a pensioner), Marmaduke, and four by the name of Malachi (these may be references to the same man, or four different men). In the early Colonial period of the state, petitions were made for land warrants in the names of Joseph Strickland, 200 acres, and 300 acres in Edge-

combe County, in 1744; Jacob Strickland, 300 acres in same county; Matthew Strickland, 300 acres in Northampton County, same year; Samuel Strickland, 200 acres in Johnston County, 1751, and there is reference to Stephen Strickland, son of Samuel, who on Nov. 8, 1762, was exempted from paying public levies because of mental disability. There are marriage records of James Strickland to Betsy Hemmington, Aug. 30, 1772, in Charleston, S. C.; Ozy Strickland to Jennet Alexander, Jan. 7, 1828, in Mecklenburg County, N. C.; Lucretia Strickland to William Hickman, Dec. 19, 1762, in Edgecombe County, N. C. Records

In the Tennessee State Library show the enlistments in this state for service in the War of 1812 of several men in the names of Stephen Strickland, from Humphreys County, Tenn.; Harman Strickland, from Robertson County, Tenn.; James Strickland from Carthage, Tenn.; John, Samuel, Seth and William Strickland; John, Seth, William, Edmond (from Roane County), and Jonathan Strickland; Harman, John and Warren G. Strickland. The various spelling is often attributed to a clerk who writes the name as it sounds.

Reception to honor genealogist Jean Strickland

The public is invited to a reception honoring Jean Strickland on the occasion of her retirement as genealogy librarian at the Pascagoula Public Library at 3 p.m. Friday, May 17.

The two-hour reception is being sponsored by the library staff, the Pascagoula Friends of the Library and the Jackson County Genealogical Society. Light refreshments will be served.

Strickland headed the library system's regionally-renown genealogy/local history section since its creation in the 1980s until November 1995 when she stepped down as head genealogy librarian for reasons of health.

Strickland continued to work in the department on a part-time basis, but her increasingly poor health caused her to recently resign completely.

Like many genealogists, Strickland's interest in the field began when she tried to trace her own family line.

"We were living in Texas then and I started trying to trace my husband Ben's family. I quickly discovered that there were no records available, no books you could buy covering the Mississippi Gulf Coast

region," Strickland said.

When her husband retired, the couple moved to the Gulf Coast and she began her own research.

Since then, Strickland has produced 70 books on this area and has become a recognized expert on southeastern Mississippi and southwestern Alabama in the Territorial Period.

Even with all these books to her credit, Strickland doesn't think of herself as an author, but simply as someone who makes records available.

"Most of the courthouses in this region burned at one time or another and, therefore, all the official records were destroyed. For instance, the fire in 1878 destroyed Jackson County's records," Strickland said.

Over the years, she has meticulously tried to recreate these lost records from all kinds of sources from old cemeteries to Confederate war records, from tax and voter rolls to church and school records.

Her most recent book is a three-volume set on the residents of the Mississippi Territory which includes the complete muster roles for the territorial militia from 1784 to 1815.

The dedication of the new Jackson-George Regional Library System headquarters building in Pascagoula in 1986 allowed the library system to create a separate area to house its growing genealogy and local history collection.

In 1987, Strickland, already a noted local genealogist, was hired to head the department. Under her direction, the collection has grown to rank as one of the best in the region and regularly attracts genealogists and historians from throughout the nation.

The collection is the largest of the three genealogy local history collections maintained by the Jackson-George Regional Library System. Another important collec-

tion is located in the Ocean Springs Municipal Library. A smaller, third collection is located in the Lucedale/George County Public Library. This collection focuses primarily on George County families and history.

While Strickland has never sought the limelight, over the years it has come to her. She has received numerous awards for her work. Several years ago, she was the featured speaker at the Jackson County Genealogy Society's annual day-long seminar which regularly attracts genealogists from throughout the southeast.

Strickland remains active in genealogy and local history circles. She serves on the board of directors of the Jackson County Genealogical Society and is a member of the Jones County, Wayne County and Mississippi Genealogy societies and the Mississippi Historical Society.

organization at a meeting in Mrs. McIlwain's home, and of its re-organization, again at Mrs. McIlwain's home.

"We're going to have to have that home declared a national treasure," he said of the Beach Boulevard residence that is now the home of Senator-elect Trent Lott. "Thelma McIlwain has always been a spark to this organization."

Wixon pointed out that in its more than two decades of existence the society had never held an awards ceremony until this one.

"We just never took the time to stop and say thanks to folks for helping us," he said. "Until now. Of course, we're also only just now getting around to organizing our board of directors."

"But then, it's only taken us 22 years to get around to all this. And that's no time at all on the genealogical calendar."

Wixon added that future awards ceremonies would be held more often and more regularly, with plans for an annual

gathering each December. Nominations for the awards can be accepted by any society member.

HE ALSO HAD words of praise not only for the volunteers of the society but for the library and its staff, and their support of the society and its work.

"The people we honor here today are people who have contributed in many ways, and many of them, for many years, to genealogy," he said. "And with all that work, it's nice to have a library staff that supports us and our work so completely."

"We're proud of our home here in the Pascagoula library, and we do consider this our home."

President Rodgers added her thanks to the library staff and its director, Jane Bryan. "They're really good to us," Mrs. Rodgers said. "If you want to see just how good, walk upstairs and look around. You'll see just how good Jane Bryan and the library have been to us, and to all genealogy

patrons."

Society member Linda Posey, who also serves as manager of the Pascagoula library, reported on moneys budgeted in the past year for the Genealogy Library, and on plans for the coming year.

She noted especially the gifts received by the library during the past year, including those of the Sons of the American Revolution and various individuals.

"We are also receiving quite a few memorials and honoraria from individuals who place materials in the library in honor of family and friends," she said.

Mrs. Posey also pointed out that the society's *Journal* recently received a very favorable mention in *The Mobile Press-Register*.

Members were reminded that the society's membership drive continues into the new year. Lois Castigliola also noted that the society is planning a seminar on Georgia genealogy March 18 at the Pascagoula Library.

Genealogists present awards

By JUDY JOHNSON

Coastlines Editor

The Jackson County Genealogical Society named its first Fellow at its annual awards banquet, held Dec. 10 at the Pascagoula Public Library.

Jean Dimmick Strickland was presented the prestigious honor of being the society's first Fellow.

Mrs. Strickland is the director of the Genealogy Library established by the society and housed in the Pascagoula library, which also serves as headquarters for the Jackson-George Regional Library System.

She has authored dozens of books on genealogy, and is recognized throughout the nation as an expert in the field of family history research.

PRESENTING THE award to Mrs. Strickland were society President Betty Clark Rodgers and former president Tommy Wixon, who served the society as awards chair for this first ceremony.

A display of just some of the books authored by Mrs. Strickland was set up at the podium, and Wixon pointed out that the new society Fellow had been an inspirational speaker at the society's reorganizational meeting.

"We have many excellent genealogical resources here in Jackson County," he said, "and one of the most important is Jean Strickland. 'Jackson County history would be punty without the material that Jean and her husband Ben Strickland have turned up.

"We wanted to say thank you to her in a very special way, to recognize that she truly is a professional among us, and that is why we decided to establish the honor of society Fellow.

"To be named a Fellow means a lot. It means that not only have you contributed hours to the study of genealogy, and that you have devoted a great deal of work to the field.

"It also means that you have made outstanding, distinguished

contributions to the field, as well as having achieved personal attainment as a genealogist. Jean has done all that, and more."

In accepting the award, Mrs. Strickland said "I couldn't have done any of it without all the help I've received from all of you."

TO OPEN the ceremonies, a musical prelude was offered by Nick Davis, newly elected president of the Jackson County Historical Society, and guests were welcomed by hostess Katie Steen.

Davis was also introduced to the group and spoke on the importance of the historical and genealogical societies working together, and commended the society's volunteers for their dedication to history.

In her opening remarks, Mrs. Rodgers commented on the fact that the awards ceremony held special importance, not only for the society but for all Jackson Countians.

"We are honoring people here today who have worked hard to preserve the history and genealogical record of Jackson County," Mrs. Rodgers told members and guests. "These people include some of the charter members of the very first genealogy society here, which was founded in 1967.

"These people kept the files that are the core of our Genealogy Library, working for years as volunteers at local libraries. Even when the society became inactive and ceased to meet, its members remained active.

"They kept available to all of us records that were not in print, records that would have been lost or scattered if not for their work."

The work of those dedicated volunteers continues today through the revitalized genealogical society, which counts among its members many of those volunteers. Society members continue to offer research assistance to patrons of the Genealogy Library, and to work to preserve local genealogical treasures.

A CURRENT project of the society is the location of old cemeteries, and the establishment of historical markers in those places.

Volunteers of the society had as of Dec. 10 contributed 715 hours of service in the library during 1988, helping patrons, shelving books and working on files.

"People all over the nation and region have visited our library here in Pascagoula," Mrs. Rodgers said, "and they have let us know how impressed they are with our building, its facilities, and the resources.

"And though she is now on staff full time with the library, Jean Strickland still remains as dedicated to genealogy and genealogists as the most dedicated volunteer."

Mrs. Steen was singled out as having worked the most volunteer hours, with 715 to her credit.

Presented certificates of appreciation for their support of the society's work were Linda Posey, Wilson Duvall, Opal Lewis, Mr. and Mrs. Alvah Clark, Evelyn Gassler, Peggy Roberts and Peggy Rogers.

Presented certificates honoring their "valuable and distinguished service" to the society were Thelma McIlwain, Rita Krebs, Bob Cirlot, Dora Cirlot, William Belt, Lois Castigliola, Else Martin, Regina Hines Ellison, Mickey Harris, Marie Trehern, Katie Steen, Elizabeth Quintana, Jane Bryan, Thomas C. Wixon, Ben Strickland, Betty Clark Rodgers, William Johnson and Judy Johnson.

WIXON REMINISCED about the work of these volunteers, and about the society's meandering history. He was introduced by Mrs. Rodgers as "a charter member of the old society, who reorganized it when the group fell into not meeting, a past president, the editor of our Journal, the keeper of our archives, and the owner of Wixon's Jewelers, in his spare time."

He spoke of the first society's

Local authority to provide special genealogy guidance

BY REGINA HINES

Mississippi Press Staff

Pascagoula Public Library for the first time is providing special assistance to patrons in genealogy and family history.

The expert help is being given by genealogist Jean Strickland of Moss Point, who began staffing the library's genealogy section this month.

Mrs. Strickland, who is considered a local authority on Southern genealogy, was selected from about a dozen applicants for the newly-created position. Mrs. Linda Posey, Pascagoula headquarters branch manager, said library officials were impressed with Mrs. Strickland's varied and

Mrs. Jean Strickland

longtime experience in family research.

"I am so excited she will be working in that capacity. She is super-qualified in many areas," Mrs. Posey said. "She not only knows her field, she knows the necessity of tracking information back to its original sources."

Mrs. Strickland will now be stationed 24 hours a week, from 12:30 until 5 p.m. Mondays through Thursdays in the Vincent P. Ros Local History Room on the second floor of the library on Pascagoula Street. She will alternate Fridays and Saturdays.

In addition, she will work 10.5 hours a week in public service

and 3 hours with the library's reserve coordinator.

Mrs. Strickland's function will be to guide patrons to various sources in the library's collection, to answer research questions and to inform patrons of other material outside of the Pascagoula Library which will aid them in their search.

Mrs. Strickland will be particularly helpful in starting beginners who want to research their family tree. But she will not do genealogical research for individuals, nor will she have time to answer complicated, or time-consuming genealogical mail requests, Mrs. Posey said.

In the near future, Mrs. Strickland will train a group of

volunteers who will also assist in the genealogy and local history area. "No one can do the entire job here. The library is open 60 hours a week and if the department is to be adequately staffed, we are going to need dedicated and trained volunteers," she said.

In addition to maintaining the collection, she will also work in the transcription of tapes taken in the library's oral history program and train people to use the Family Roots computer program that the library has installed as a genealogy aid.

A native of Indiana, Mrs. Strickland grew up in the Midwest and later moved to Florida with her parents. Her

roots extend as far north as New England in the United States and for years she has researched families as far west as Texas in the primary records of many states. She has also had experience in minority research.

She is largely a self-taught genealogist. But she has taken college courses in genealogy in Texas and completed correspondence courses, which have enabled her to teach several genealogy seminars here.

With her husband, Ben, and fellow-researcher Patricia N. Edwards of California, she has co-authored 29 source books of southeast Mississippi records.

See GENEALOGY Page 5 ▶

From Page 1

She has particular expertise in finding alternate records in counties where the courthouses have burned. Her 30th book is expected to be completed next month.

Mrs. Strickland has been active in the Jackson County Genealogical Society and this

year will be the first vice president. She has been serving on the society's book selection committee and is a member of the Jackson County History Book steering committee. For the past several months, she has been working as a temporary public service employee at the library.

"Her knowledge is such that it will be almost like Jackson County having its own family genealogist," said Tommy Wixon, president of the Jackson County Genealogical Society. "The public is going to enjoy Jean, a very personable person. It will be like having a goodwill ambassador aboard."
